ARTICLE IV COVENANT FOR ASSESSMENTS

4.1 Creation of the Lien and Personal Obligations of Assessments. The Association, for each Lot owned within the Properties, hereby covenants, and each Owner of any Lot by acceptance of a Deed therefore, whether or not it shall be so expressed in such Deed, is deemed to covenant and agree to pay to the Association:

(4.1.1) Annual Assessment for general operations of the Association, and

(4.1.2) Special Assessments for capital improvements and repairs, such assessments to be established and collected as hereinafter provided. The Annual and Special Assessments together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation for delinquent assessments and shall pass to the successors in title. In addition to the foregoing, each Owner shall also have the obligation to pay real property taxes imposed by the Colorado Governmental Taxing Authorities. An Owner's obligation for payment of taxes and insurance may be contractually delegated through the Owner's respective mortgage document.

4.2 Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents of the Properties and for the improvement and maintenance of the common areas including but not by way of limitation:

(4.2.1) repairing, replacing and maintaining the common area;

(4.2.2) installing, maintaining and repairing all roads and utilities upon, across, over and under any part of the Properties;

(4.2.3) furnishing garbage and trash pickup and water and electrical services to the Properties;

(4.2.4) establishing and maintaining adequate reserves for repairs, maintenance, taxes, capital improvements and other purposes;

(4.2.5) carrying out all other powers, rights, and duties of the Association

(4.2.6) generally for any other purposes and uses that the Association shall determine to be necessary to meet the primary purposes of the Association

(4.2.7) Obtaining liability and property damage insurance in a sufficient amount to insure that the P.O.A. is fully covered for all potential claims.

4.3 Annual Assessment. Beginning January 1, of the year following purchase of a Lot, the Owner shall be assessed annual Association fees, as approved by a vote of the Membership, or as adjusted by the Board under the conditions set forth below. As of January 1, 2007, the annual dues on all Lots will be a base amount of \$619.00. This does not include a possible CPI adjustment.

The amount of any increase in the Annual Assessment shall be set by the Board of Directors, but such increase, without Membership approval as set forth below, is limited to the increase in the Consumer Price Index, as defined below, for the period ending the month prior to the date of the meeting at which the Annual Assessment is set (hereinafter, the "Adjustment Date"). Only upon an affirmative vote of fifty one percent (51%) of the Members who are voting in person or by absentee ballot may the Annual Assessment be increased more than the increase in the Consumer Price Index over the previous year.

The base for computing any automatic increase is the Consumer Price Index for all Urban Consumers, U.S. City Average, All Items (1982-1984-100), published by the United States Department of Labor, Bureau of Statistics, (hereinafter the "Index"), which was published for the month of October, 1992 (hereinafter, the "Beginning Index"). If the Index published for the month immediately preceding the month in which the Annual Assessment is set (hereinafter, the "Extension Index") has increased over the Beginning Index, the Annual Assessment for the following year shall be set by multiplying the previous Annual Assessment by a fraction, of which the numerator of which is the Extension Index and the denominator of which is the Beginning Index. In no case shall an Annual Assessment be less than the Previous Assessment. If the Index is changed so the base year differs from that used as of October 1992, the Index shall be converted in accordance with the conversion factor published by the United States Department of Labor Statistics. If the Index is discontinued or revised during the term of the Amended and Restated Declaration (or any extension thereof), such other governmental index or computation with which it is replaced shall be used in order to obtain substantially the same result as would be obtained if the Index has not been discontinued or revised. In the event that the figures necessary for the calculation of the increase in Annual Assessments are not available on the Adjustment Date, the Annual Assessment shall be billed, unchanged from the previous year, and when such figures are available, the Annual Assessment shall be recalculated according to the provisions and any adjustment shall be billed in the next regular billing cycle.

4.4 Special Assessment for Repairs. In addition to the Annual Assessments authorized above, the Association may levy, for the purpose of defraying, in whole or in part, the cost of any reconstruction, repair or replacement of a capital improvement upon the Common Areas, including fixtures and personal property related thereto, provided that any such assessment must have the assent of at least fifty one percent (51%) of the Members who are voting in person or by absentee ballot at a meeting duly called for this purpose.

4.5 Special Assessment for Capital Improvements. In addition to Annual Assessments and Repair Assessments authorized above, the Association may collect and administer fees for improvements such as water distribution system, electric power distribution (backbone) systems, and telephone distribution systems. The fees, costs and capital assessments, together with the terms and conditions are to be fully set forth in the Owners (purchasers) contract to purchase. The P.O.A. Board shall collect, administer and contract for these services and shall be authorized to act as the following but not limited to:

(4.5.1) Establish fees for hookups to transmission systems (if any) and set rates if applicable for services provided,

(4.5.2) Withhold services for non-payment of fees,

(4.5.3) Pledge promissory notes of Owners securing payment of capital improvements for bank loans or to utility companies to bond or insure payment on utility or capital improvements, and

(4.5.4) Use Annual Maintenance Fees to pay for Capital Improvements whenever in the sole discretion of the Board, it is necessary.

4.6 Notice and Quorum for Any Vote of the Members Written notice of any meeting called for the purpose of taking any action authorized by the Declaration shall be sent to all Members not less than 30 days nor more than 60 days in advance of the meeting. At any such meeting called, the presence of Members or of absentee ballots representing 10% of all the votes of Membership shall constitute a quorum.

4.7 Uniform Rate of Assessment. Both Annual and Special Assessments must be fixed at a uniform and equitable rate for each Lot. Different rates may apply when an Owner constructs more than one single family detached home on one Lot.

4.8 Date of Commencement of Annual Assessments: Due Dates. The Annual Assessments provided for herein shall commence on each Lot and become due in January of the year following the recording of the deed to an Owner. The Board of Directors shall fix the amount of the Annual Assessment against each Lot at least thirty (30) days in advance of each Annual Assessment period. Written notice of the Annual Assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors and will allow a reasonable amount of time for Members to pay fees before becoming delinquent. As an option, quarterly payments can be arranged.

4.9 Effect of Nonpayment of Assessments: Remedies of the Association. Any Assessment, whether an Annual Assessment under Section 4.3, a Special Assessment for Repairs under Section 4.4, or a Special Assessment for Capital Improvements under Section 4.5, not paid within thirty (30) days after the due date shall be deemed delinquent and shall bear interest from the due date at a rate of eighteen percent (18%) per annum, unless that rate is adjusted by the Board. If an Assessment becomes delinquent, the Association, acting through the Board, in its sole discretion, may take any or all of the following actions:

(4.9.1) Publicly post a list of accounts in arrears.

(4.9.2) Assess a late charge for each delinquency in such amount, as the Board deems appropriate;

(4.9.3) Suspend the voting rights, provision of or access to POA services, and the right of use of the Common Area (except access roads) by the Owner during any period of delinquency;

(4.9.4) Take steps to assign the debt to the County tax rolls.

(4.9.5) Assessments chargeable to any Lot, as set forth in Section 4.1, shall constitute a continuing lien on such Lot, including all improvements thereon. To evidence a lien created under this Article IV, the Board may, but shall not be obligated to, prepare a written Notice of Lien (hereinafter, "Notice") setting forth (i) the address of the Association, (ii) the amount of such unpaid indebtedness, (iii) the amount of accrued interest on the indebtedness, (iv) the name of the Owner of the Lot, and (v) a description of the Lot. The Notice shall be signed by the President or the Vice President of the Association and the Association shall serve the Notice on the Owner by mail as set forth in Section 3.3. Not less than ten (10) calendar days after the date on which such Notice is mailed to the Owner.

(4.9.6) Record a statement of lien against the Owner's Lot in the Las Animas County real property records for the delinquent amount, late payment fees, interest and costs of collection. The Association's failure to record any such statement of lien or any error or omission in the content of such statement of lien shall not defeat such lien of the Association nor affect its priority. If the assessment remains delinquent, the Association may (a) file a lawsuit against the Owner, or (b) institute a foreclosure action against the Owner's Lot to collect all amounts due to the Association, or proceed with both of these actions. The cost of any lawsuit and/or foreclosure action shall include the costs of collection, including attorney fees and litigation and sheriff's sale costs.

4.10 Lien a Personal Obligation to Owner. The amount of any assessment chargeable against any Lot shall be a personal and individual debt of the Owner of the same. No Owner may exempt himself from liability for the Assessment by abandonment of his Lot or by waiver of the use and enjoyment of all or any part of the Common Area. Suit to recover a money judgment for unpaid Assessments, any penalties and interest thereon, the costs and expenses of such proceedings, and all reasonable attorneys fees in connection therewith shall be maintainable without foreclosing or waiving the Assessment lien provided in this Declaration.

4.11 Successor's Liability for Assessment. In addition to the personal obligation of each Owner to pay all Assessments and the Association's continuing lien for such Assessment, all successors to the fee simple title of a Lot, except as provided in Section 4.12, below shall be jointly and severally liable with the prior Owner thereof for any and all unpaid Assessments, late charges, costs, expenses and attorneys fees against such Lot without prejudice to any such successor's right to recover from any prior Owner any amounts paid by such successor. The liability of a successor shall not be personal and shall terminate upon termination of such successor's fee simple interest in the Lot. In addition, such successor shall be entitled to rely on the Certificate of Status of Assessments by or on behalf of the Association under Section 4.13.

4.12 Subordination of Lien. The lien for Assessments provided for in this Declaration shall be subordinate to the lien of real estate taxes and special governmental assessments. The lien for Assessments shall be superior to and prior to the lien for all sums unpaid on a First Mortgage of record against such Lot, including all unpaid obligatory advances as may be provided by such encumbrance, and any homestead exemption provided now or in the future by the laws of the State of Colorado. No sale or transfer shall release a Lot from the lien of Assessments, except in the case of a sale or transfer of a Lot pursuant to a decree of foreclosure, by a public trustee in foreclosure, or by any proceeding or deed in lieu of foreclosure for the purpose of enforcing a First Mortgage, which shall extinguish the lien of such Assessments as to installments which became due prior to such sale or transfer. No sale or transfer shall relieve the purchaser or transferee of a Lot from liability for, or the Lot from the lien of, any Assessments made after the sale or transfer as set forth herein.

4.13 Certificate of Status of Assessment. Upon request in writing by any legally interested person and payment of a reasonable charge therefore, the Association shall furnish a Certificate of Status of Assessments setting forth:

(4.13.1) the amount of any unpaid assessment, interest, late charges, costs, expenses and attorney's fees then existing against a particular Lot;

(4.13.2) the amount of the current monthly or annual installment assessments and the date that the next installment is due and payable;

(4.13.3) the date of the payment of any installments of any Special Assessments then existing against the individual Lot;

(4.13.4) any other information deemed proper by the Association Articles and Bylaws, books of account and financial statements together with a Certificate of Status of Assessments upon reasonable request in writing and payment of a reasonable charge therefore. Upon the issuance of such certificate signed by an Officer of the Association, the information contained therein shall be conclusive upon the Association as to the person or persons to whom such a certificate is addressed and who may rely thereon in good faith.

4.14 Mortgagees May Pay Assessments and Cure Defaults. If any Assessment, or monthly installments thereof, for any individual Lot shall not be paid by the Owner thereof within thirty (30) days after the same is due, or if a default by any Owner of any provision of this Declaration shall not be cured within thirty (30) days after written notice thereof is given to such Owner, then the Association may thereafter send a notice thereof to any First Mortgagee thereof and may (but shall not be required to) send a notice thereof to any other Mortgagee thereof. Any Mortgagee may (but shall not be required to) pay any such Assessment, together with any other amount secured by the Association's lien created by this Article IV, and may (but shall not be required to) cure any such default.

If neither a request for a hearing nor a written response is made, the Board need not conduct a hearing and may impose sanctions provided under these rules. If request for a hearing is made, after all testimony and other evidence have been presented to the Board at a hearing, the Board shall render its decision taking into consideration all of the relevant facts and circumstances.

(8.1.4) Attorney's Fees and Fines. The provisions of this Resolution shall not limit, or be a condition precedent to, the Associations right to enforce the Governing Documents by any means available to the Association, including, but not limited to, commencement of a lawsuit to force compliance or seeking injunctive relief or damages. The Association shall be entitled to reimbursement of all attorney's fees and costs incurred by the Association in connection with any enforcement action, including any proceeding under the Governing Documents. Without limiting the Association's remedies under the documents, the Association may assess fines in accordance with these Rules and Regulations.

An Owner in violation of the documents may be fined as follows:

The additional fines authorized by this section are: (1) in the event of first violation, a fine of \$25 per day; (b) in the event of a second violation, a fine of \$50 per day; (c) in the event of a third violation, a fine of \$100 per day. All fines for continuing violations shall accrue until the violation is finally terminated in its entirety.

(8.1.6) No Waiver. Failure by the Board to enforce any covenant, restriction, rule or regulation, or any other provision of any of the Governing Documents shall in no event be deemed a waiver of the right to do so thereafter or preclude the Association from enforcing any other covenant, restriction, rule or regulation or provision of the Governing Documents.

(8.1.7) Owner's Right to Enforcement. Action taken by the Association in accordance with this policy, or a decision to not take action, shall not affect an Owner's right to bring his own enforcement action.

(8.6.3.7) Good Faith. The Board shall make investment decisions in good faith, with the care an ordinarily prudent person in a like position would exercise under similar circumstances, and in a manner the Board reasonably believes to be in the best interest of the Association and in accordance with the Colorado Revised Nonprofit Corporation Act.

(8.6.5.3) Not Void. No conflicting interest transaction shall be void or voidable or be enjoined, set aside, or give rise to an award of damages or other sanctions in a proceeding by a member or by or in the right of Association, solely because the conflicting interest transaction involves a Director or a party related to a Director or an entity in which a Director is a director or officer or has a financial interest or solely because the Director is present at or participates in the meeting of the Association's Board that authorizes, approves, or ratifies the conflicting interest transaction or solely because the Director's vote is counted for such purpose if:

(8.6.5.3.1) The material facts as to the Director's relationship or interest and as to the conflicting interest transaction are disclosed or are known to the Board and the Board in good faith authorizes, approves, or ratifies the conflicting interest transaction by the affirmative vote of a majority of the disinterested directors, even though the disinterested directors are less than a quorum; or

(8.6.5.3.2) The material facts as to the Director's relationship or interest and as to the conflicting interest transaction are disclosed or are known to the members entitled to vote thereon, and the conflicting interest transaction is specifically authorized, approved, or ratified in good faith by a vote of the members entitled to vote thereon; or

accordance with Colorado law.

(8.6.6.4) Adoption of the Rule. Following Board discussion of the Rule and Owner comment, the Board may adopt the Rule. Any such Rules shall be effective only upon adoption of the Board and 15 days after the Association has provided the notice of adoption of the policy to the Owners.

(8.6.6.5) Emergency. The Board may waive the notice of the proposed Rule and opportunity for member comment in the event that the Board determines in its sole discretion that providing notice and an opportunity to comment is not practical due to the emergency nature of the Rule.

(8.6.7) Dispute Resolution. Because the prompt, efficient, fair and non-belligerent resolution of any disputes is desirable, any controversy arising out of or relating to the Covenants, Rules and Regulations or Bylaws, or a breach thereof shall be resolved as set forth in this section.

(8.6.7.1) Direct Communication. The parties to the disagreement shall set forth their respective positions in the dispute in correspondence. Each party shall respond within seven days after receipt of a letter from the other until agreement is reached.

(8.6.7.2) Mediation. If the dispute cannot be resolved through direct communication of the parties, either party may request appointment of a neutral and properly credentialed mediator. Both parties shall participate in the mediation in good faith until the dispute is resolved for a period not to exceed thirty days with the consent of all parties. The cost of mediation shall be divided equally among the parties.

(8.6.7.3) Arbitration. If the dispute cannot be resolved through mediation, the dispute shall be settled by arbitration before a single arbitrator in accordance with the Uniform Arbitration Act of 1975, C.R.S. Section 13-22-201 et. seq., as amended.

The results of the arbitration shall be final and binding, and not subject to appeal. Venue for arbitration shall be Las Animas County, Colorado, unless otherwise mutually agreed. The arbitrator shall award to the prevailing party, if any, as determined by the arbitrator, all of its costs and expenses including any attorney's fees, arbitrator's fees and out-of-pocket expenses of any kind.

(8.6.7.4) Not Applicable to Association. This Dispute Resolution Policy is not applicable to the Association and the Association shall have the right to enforce all Covenants, Rules and Regulations and Bylaws as more particularly described in those documents. The Association shall be exempt from and shall not be required to mediate or arbitrate its claims in any enforcement actions taken by the Association.
